World Shotokan Karate-do Association

Welcome to the 15th championship of the World Shotokan Karate-do Association

We are immensely grateful to the organizing committee of the Liga Portuguesa de Karate-do Shotokan (LPKS) for hosting our championship in the city of Odivelas, situated in the old district of Lisbon in Portugal.

Although the LPKS has been a long standing member of ESKA and has hosted the championships on no less than 3 previous occasions, this is the first WSKA championships to be hosted in Portugal.

We look forward to enjoying the hospitality for which the people of Portugal are renowned.

Every two years at these championships we are privileged to experience the most outstanding examples of traditional Shotokan karate from the many countries comprising WSKA.

We pay tribute in advance to the work of all the referees, judges, table officials, the medical team and all staff and volunteers who have all contributed to the organisation of this championship. Most importantly we acknowledge the commitment and expertise of the competitors and their coaches in preparing for the challenges of international competition.

WSKA championships are characterised by the fiercely competitive nature of matches on the tatami and the high value placed on mutual respect and standards of etiquette.

We look forward to an exciting event which will bring to Odivelas the very best of traditional Shotokan karate.

LPKS

Welcome to the 16th World Shotokan Karate-do Championships!

José Rocha Ferreira

President

LPKS

The Portuguese Shotokan Karate League (PSKL) is proud to host and organise, for the first time, the World Shotokan Karate-Do Championships. The young, but full of History, city of Odivelas, European City of Sport 2020, will be your host for this year's event. Throughout the year, our team has been fully supported by the City Council and its specialised Sports Division. These public authorities fully believe in our team's organisational capabilities as well as how important this event is in both the national and international panoramas.

In this town, athletes, delegations and public alike will find every comfort they need. I sincerely believe that this event will be yet another step in both preserving and augmenting the number of karateka practising and embracing our style.

On a more personal note, a special commendation ought to be made to the Portuguese National Team, for both their true commitment to the sport and their understanding of the honour and duties of representing their country. Additionally, we must also highlight:

- All the athletes who gave their all on the trials, but who were not selected to the squad;
- The coaching staff, who leads and guides the athletes and unites their efforts in an exemplary manner;
- The Associations who, directly or indirectly, have contributed to make this event a reality;
- ANAM (the local branch of the hosting team), whose perseverance and organisational skills have ensured we achieved all our goals in a timely manner, leading us to foresee an excellent championship.

You have our thanks and we wish you success in all your endeavours. Your contribution to the rise in the numbers of Shotokan karateka is both indispensable and increasingly evident.

WSKA 2019 – Portugal, Odivelas

The City

As you all know by now, the WSKA 2019 Karate championships will take place in Odivelas, Portugal.

Odivelas is one of the youngest municipalities in Portugal, having been created in 1998.

With a population of around 150.000, it extends itself for 26.4 square Km, and is adjacent to Lisbon, Portugal’s capital city.

Odivelas has a very relaxed lifestyle to offer, with several beautiful parks, fine restaurants, and amazing delicatessen, such as Portugal’s best “pastéis de nata” – from Viriato – or the traditional “marmelada de Odivelas”, the heritage of the monastery nuns from the XV century.

The weather in September will still be warm, with temperatures probably ranging from 16oC to 26oC and a very low probability of rain, granting you the opportunity to spend quality time outdoors.

The Sports

Odivelas is also a very sports oriented city. It will be the European City of Sport in 2020, and over 1000 people practice karate daily in Odivelas, making it one of the most relevant sports in this city, and a perfect location for this championship.

The venue will take place in the Municipal Sports Center, which has an attendance capacity of 2000 people and an area of 1440 square meters, a secondary hall of 640 square meters, 8 changing rooms and a restaurant.

It is located about 12 km away from the Lisbon airport, a 20 min journey, in a very urban area with several restaurants nearby.
